"Electronic Health Record" (or EHR) is a regularly updated summary of all information (also referred to as "my information") that is accessible and made available through the HealthID application.

"My information" refers to all personal, other and possibly sensitive medical, clinical or claim information (recorded in the EHR) and includes:

- All existing and newly diagnosed chronic conditions
- Chronic Illness Benefit and health plan information
- Certain biographical details
- Medical information that healthcare providers send to Discovery Health (Pty) Ltd and the Scheme.
- All results, including pathology and radiology (if any), which may also include information about HIV or AIDS, sexually transmitted diseases and pregnancy or its termination.

Acknowledgement

I acknowledge that –

- Discovery Health (Pty) Ltd ("Discovery Health") has developed an application ("HealthID") medical practitioners can use to access my information recorded in my Electronic Health Record (EHR).
- The purpose of HealthID is to support and enable quality clinical care to members of the schemes administered by Discovery Health and to help reduce the administrative burden on medical practitioners accessing my information.
- Only medical practitioners who have subscribed to and are authorised to use HealthID and its features ("authorised medical practitioners") can access my information.
- All authorised medical practitioners who treat me from time to time can only request and access my information through HealthID if they have my consent.
- Once I have granted consent, any authorised medical practitioners who I may consult from time to time and who have my consent can access all my information recorded in my EHR including details of consultations with other medical practitioners I may have consulted before.
- I can at any time change or revoke my consent by formally letting Discovery Health know of my decision. In this case, HealthID will grant authorised medical practitioners access to my information only up to the date I change or revoke my consent and will not make my information available to any authorised medical practitioners from then on. By giving my consent, I give Discovery Health permission to share my information (through my EHR) with my authorised medical practitioners to assist in making informed clinical decisions.

I understand that once Discovery Health has shared my information with authorised medical practitioners, Discovery Health has no further control over this information and will not be accountable for its safeguarding. I also understand that the authorised medical practitioners have confirmed to Discovery Health that they will treat my information as confidential and in line with applicable laws.

I note that Discovery Health will, as required by and in adhering to applicable laws, protect and maintain the confidentiality of my information.

Consent

1. By consenting, I agree to –

- 1.1 My information being made available to authorised medical practitioners through HealthID for the purposes outlined here.
 - 1.2 Discovery Health receiving my information directly from any healthcare provider and making this available through HealthID.
2. I am entitled to change or revoke my consent at any time.
When I revoke my consent, medical practitioners will no longer be able to access my information.
3. The consent I give (as set out in this form) is valid from the date and time when I give consent and will continue until I change or revoke my consent as explained in point 2.
4. I agree that by making this information available, Discovery Health will not be responsible for any loss or damage (whether direct or indirect) that may arise from the use of this information, other than where it is due to or attributable to grossly negligent or fraudulent conduct by Discovery Health.
5. I give permission for my authorised medical practitioners to provide Discovery Health with my diagnosis and other relevant clinical information to review applications for the Chronic Illness Benefit. For the Chronic Illness Benefit, I understand that –
- 5.1 Funding from the Chronic Illness Benefit depends on meeting benefit entry requirements as determined by Discovery Health.
 - 5.2 It provides cover for disease modifying therapy only, which means that not all medicines for a listed condition are automatically covered or funded.
 - 5.3 By registering, I agree that my condition may be subject to disease management interventions and periodic review and that this requires giving both Discovery Health and my authorised medical practitioners access to my information.
 - 5.4 Funding for medicine will only be provided from when Discovery Health receives and approves an application form that is completed in full.
 - 5.5 I may need to send an updated or new application form, if Discovery Health asks for this.
6. I have had an opportunity to read (or have read to me) and I am aware of and fully understand all the terms, conditions and consequences of giving my consent.
7. I have had sufficient opportunity to ask questions about this consent form and have had these questions, if any, answered to my satisfaction by Discovery Health.
8. I have been made aware that the full terms and conditions can be accessed on www.discovery.co.za or by calling 0860 99 88 77 and that Discovery Health will provide me with a copy of this consent form on my request.
9. My consent to all the terms and conditions of HealthID is provided of my own free will without any undue influence from any person whatsoever.

I indicate my full understanding and agreement to consent to use Discovery HealthID.
